In an effort to educate students on drug related issues in and around the schools, the Los Angeles School Police Department's K-9 Unit will be happy to speak to your students and perform a K-9 demonstration.

The best time to schedule a K-9 handler to speak to your students is between 8:00 a.m. and 1:30 p.m.

Career days would be a great opportunity to speak to large groups of students.

Due to the high volume of requests that the K-9 Unit receives, it's recommended that you make your request three weeks to a month prior to the day of your event. Please keep in mind that the amount of time the K-9 Team can remain on your campus is limited due to other requests that may have been scheduled for that day.
