

**Los Angeles School Police Department
REQUEST FOR K-9 SNIFF FOR NARCOTICS OR FIREARMS**

School / Location: _____ Date: _____

Person Requesting: _____ Title: _____

Phone No: _____ Fax No: _____

Please provide information regarding the kinds of drug/weapon related problems at your location. Please know that a K-9 sniff is an extension of an administrative search and will only be conducted randomly. It is also important to know that a police K-9 can only be used to search property, not persons/students. (Education Code 35160)

In an effort to help reduce narcotics/weapons related incidents in and around your school, the Los Angeles School Police Department's K-9 Unit can schedule a meeting with administrators and employees to educate school staff on narcotics/weapons related concerns. Please keep in mind that the amount of time the K-9 Team can remain on your campus is limited due to other requests that may have been scheduled for that day.
