In an effort to help reduce traffic related incidents around the schools, the Los Angeles School Police motorcycle officers will be happy to speak to your students and/or their parents about traffic safety concerns.

The best time to schedule an officer to speak to a class is between 9:00am -1:30pm. Career days would be a great opportunity to speak to large groups of students. Three weeks notice would be helpful in scheduling officers for the event.

MAIL OR FAX YOUR REQUEST TO:
